

RESTORE

Knowing the Redeemer's Love

Come be restored in the Redeemer's love.

Foundations:

Know the Redeemer's love as we strengthen our foundations through six weeks of teaching and life group interaction covering the following topics: The Problem, The Solution, Transformation, Identity, a New Walk, and The Holy Spirit.

Redemption:

Experience the love of God shining into some of life's darkest areas of sin and suffering. As we chart our life's past moments we will learn how the Gospel of Jesus Christ can reshape the way we think, behave, and feel in many areas of life.

Conquer:

As men battle for their purity we will explore strongholds that keep them in bondage. Examine the neurochemistry of addiction. Investigate proven strategies to prevent relapse.
