Key Thought: Money can challenge our faith and grace experience because it invites us to believe we can control our lives. But grace is found in complete surrender and trust to God.

“It’s Up to Me” (Ephesians 2:8-9, Matthew 6:24)

Mark 10:17-27

The man is searching for _____; a _____ with God. (v. 17)

Jesus says God is the standard of “_____.” (v.18-19)

The man (encouraged) believes he _____ (I did it!) (v. 20-21a)

Jesus points him to _____ and _____. (v. 21, Mark 1:18)

His _____ hindered his faith (and salvation) (v. 22)

Jesus affirms that wealth is a _____ to salvation. (v. 23)

Surrender is hard for those who are not _____.

Disciples saw wealth as an _____. (v. 24-26)

Salvation is up to _____, it is not _____. (v.27)

How do we respond?

Do I have to sell all that I have to obtain salvation?

Is money bad?

Key Question: Who do I _____?

How do I know? _____ (Ephesians 2:8-9, John 3:16)

The heart of grace is Jesus giving up _____ to show his love for us.

_____ is a heart to give (up to everything) to show our love to God

and others.
